WITH so much turmoil in the world, newly-appointed Lutheran Pastor Vaughn Spring is determined to help Tablelanders find the answers.

The former Victorian has been appointed the new Pastor for the Cairns Lutheran Parish, including Our Saviour at Atherton.

“My family and I arrived the week before Cyclone Yasi hit,” he said. “It was our first experience with anything like that and I am so pleased I was able to be there for people during that time.”

He told the *Tablelander* he saw his appointment as a great opportunity to see the Tableland and get to know the diverse range of people in the region.

“Our congregation at Atherton includes young families, single adults and couples too.” Pastor Spring said he wanted to spread the word, not just to his parish but to the general public.

“There is so much going on in the world at the moment and people have a lot of questions,” he said.

“I want them to know we are here, we care about them and are more than happy for them to stop in for a chat.”

Our Saviour is located on the corner of the Kennedy Hwy and Golf links Rd.
